4 6 What scientists call sex  
What Westworld is taking  
Women’s dress-like underwear  
Xtort, Track 6  
Zedong follower  
} or 7

Oh no! Our Anomaly Flagger appears to be broken!  
Usually when it picks up an anomaly, the device  
will tell us what it’s seeing by displaying a  
sequence of blinking lights for us to interpret,  
but it appears all the lights have fallen out. Can  
you put it back together?
